## **Re: Fare Increase for Taxis**

To whom it may concern:

This letter is to advise that on May 12, 2022, Toronto City Council has approved a \$1.00 per trip increase to taxicab fares, in response to the recent rise in fuel prices. As a result, the drop rate for taxi cab fares will increase from \$3.25 to \$4.25 effective immediately. The increase will remain in effect until City staff have had the opportunity to complete a comprehensive fare review.

New stickers for taxicab tariff cards have been issued to Solid One/Taxi Media Solutions. If you would like to request stickers for your brokerage, or if you have any questions about this fare increase or review, please contact [mlstaxilimo@toronto.ca](mailto:mlstaxilimo@toronto.ca).
